Introducing the
Ultimate Competition Blades

Achieve a clean and smooth cut using the **Wahl Ultimate Competition Blade** on your clipper.

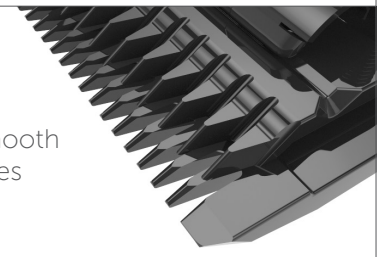

high performance cutting with long lasting durability

cuts 2.5 times faster than the standard competition blade

made from high carbon steel that lasts longer and stays sharper for longer

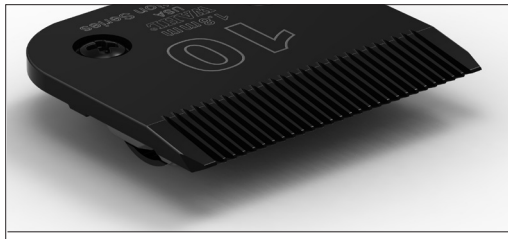

Designed with **upgraded tooth geometry** for smooth feeding that leaves no clipper tracks

Compatible with Wahl KM5, KM10, Power Grip, Max 45 and other brand snap-on clippers.

CLIPPER BLADES

Wahl blades are made using the highest standard machinery. Every blade is precision ground from stainless steel to ensure sharpness and durability, improving the quality of your cutting experience.

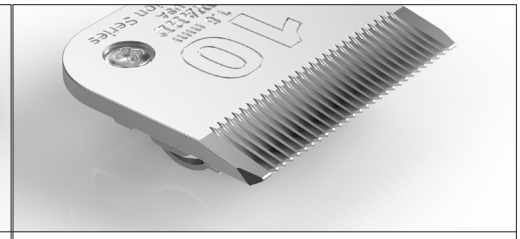

ULTIMATE COMPETITION SERIES

Replacement blade for the Wahl Power Grip, Max 45, KM5 and KM10 clippers, available in a variety of cutting lengths. This blade is made from High Carbon, precision ground steel so is more durable, lasts longer and stays sharper.
