### CARE AND CLEANING

This appliance is intended for household use. Unplug product before cleaning. The product must be cleaned only when cool. Use a soft non-abrasive cloth that is slightly dampened with water to wipe styling working surface. Do not allow water or any other liquid to get into the handle of the straightening brush. Any other servicing should be performed by a qualified service centre. The product should not be stored while hot or plugged in. When not in use, allow straightening brush to cool, then simply put back in the box and store out of reach of children in a safe, dry location. Never wrap the cord around the straightening brush. This could cause the cord to wear prematurely and break.

### WIRING

**WARNING:** If the supply cord is damaged it must be replaced by the manufacturers or a suitably qualified professional in order to avoid a hazard.
